

QBC ParaLens Advance™

30-Day Evaluation Program

**Try the QBC ParaLens Advance
LED fluorescence microscope
attachment in your lab
FREE for 30 days!**

- **30-Day Trial**
- **No Commitment to Buy**
- **Free Shipping**

How it Works*:

- 1** QBC Diagnostics provides you with a QBC ParaLens Advance evaluation system, with the objectives of your choice.
- 2** You enjoy the unique fluorescence microscopy benefits of the ParaLens Advance evaluation system for 30 days from the date of receipt.
- 3** At the end of 30 days, you may purchase the evaluation system, or, if you are not satisfied in any way, you may return it at no cost to you.

What's Included:

- Main body assembly with your choice of 20x & 40x objectives, 60x objective, or 100x objective
- Blue LED light source
- Detachable filter set arm
- Power pack (with international plug adapters)
- ParaViewer™ (with 60x objective only)
- 30 mL bottle of immersion oil (with 60x objective only)
- Flat blade screwdriver
- Preventative maintenance kit
- Hard shell carrying case
